

BRISTOL COLLEGE of ACCOUNTANCY
For Professional Excellence

Full Time Prospectus 2010

Welcome Note

Welcome to the Bristol College of Accountancy !

It gives us a great pleasure that you are considering us to help you achieve your qualification and become partners in your future success.

At BCA, we have set out to provide our students with an enriched and high quality education system through an atmosphere which is educating and refreshing at the same time, ensuring our students can focus fully on their studies and achieve best results.

We, a team of professional accountants and teachers, are in the industry and fully appreciate the needs of a modern student. Further, we believe that the quality of your learning depends crucially upon the quality of the tutors, hence we have built a very credible lecturing team. We are committed to providing better courses and are continuously updating our study materials to reflect the changes in syllabus, legislation and other professional pronouncements.

BCA, located in Bristol, a beautiful educational city full of schools, colleges and universities, is also the only college in the region for full time accountancy studies.

All our full time courses meet the Home Office requirements for the granting of Student Visas.

We look forward to seeing you soon.
